Submission of Shortfall and Admission against Stray vacancies

In continuation to this office Circulars regarding Completion of Admission formalities, Start of Classwork, Closure of Admission and submission of Admission Data, this is to inform all stakeholders that:

1. Most of the Admissions, as per the Admission Policy, stand completed and the Departments are requested to thoroughly check the Admission Status of all the Programmes and communicate shortfall, if any, latest by Thursday, the 10th September 2026 (5:00 p.m.) so that admissions against stray vacancies are granted and admission process for the current session stopped.
2. If no shortfall is received from any Department/Center/Campus/College, it shall be deemed that Admission is complete against all seats.
3. The **last date of eligibility** for all candidates notified through various selection lists is **7th September 2026** i.e., all provisionally selected candidates should be eligible on or before 7th September 2026.
4. The Admission Committee of each Unit shall be fully responsible for **checking the eligibility conditions** of each candidate. Since the Admission is granted provisionally subject to verification of all credentials by the respective Departments/Centres/Campuses/Colleges, it is expected that the Admission Committee shall have another round of checking the documents of each candidate before allotting enrolment number.

The team work by all units in smooth admission process is deeply acknowledged and highly commendable. Words fail to thank each one of the team member for a marvelous job.

Director
